P. Injunctive Relief

You acknowledge and agree that your breach of the obligations under the EULA may result in substantial and irreparable harm and injury to Nomadix for which monetary damages alone may be an inadequate remedy, and which damages may be difficult to accurately measure. Accordingly, You agree that Nomadix may be entitled to obtain immediate injunctive relief, as well as any other equitable relief allowed by the federal or state courts. The foregoing remedy of injunctive relief is without prejudice to Nomadix to exercise any other right and remedies it may have at law, in equity, under contract (including, without limitation, this EULA) or otherwise (all of which Nomadix hereby expressly reserves).

To the greatest extent permissible under applicable law, You agree that this Agreement prohibits You from reverse engineering, decompiling, or disassembling the Software and from reverse engineering or revealing underlying ideas or algorithms of the Software or any other trade secrets related to the Product. To the extent applicable law gives You the right to decompile the Software, before exercising any such possible right, You shall (i) first notify Nomadix of Your specific grounds for believing You have such a right; and (ii) provide Nomadix with a commercially reasonable amount of time to respond to You regarding that assertion.

In addition, a software key may be required to unlock and activate the Software before the Product may be used.
