When ordering four units of the same model/part number, partner will receive the pricing for three.

When the following criteria are met:

- PO and Sales Order must reference NSP number (#856)
- Four of the same model/part number must be ordered at the same time on the same PO and sales order
- Multiple Access Point and Switch models/part numbers may be ordered on the same PO and sales order, but calculations for this discount will be done individually for each different model
- Direct and Indirect Resellers purchasing products for an identified End User property qualify for the promotion for both hardware and licenses
- Stocking orders for distributors qualify for the promotion for hardware only
- Cannot be combined with other promotions
- Does not apply to NaaS SKUs
- Does not apply to other Nomadix Networks products (Mounting Kits, Power Supply etc.)
