

CASTING

OFFER GUESTS CONTENT CHOICE AND EASY CONNECTIVITY

People are “cutting the cord” and streaming shows and music at home. To boost satisfaction and meet the evolving guest expectations, hotels should offer a choice for content with TV casting. Especially for international travelers, this can remove language barriers by picking their own content and making them feel at home.

Nomadix Casting allows guests to easily and securely cast preferred media content from their mobile devices onto the in-room TVs. Thousands of apps are supported including Netflix, Hulu, Disney+, Spotify, Amazon, YouTube and many more.

OFFER GUESTS

- Content choice
- Language flexibility
- Simple or automatic connection
- No password sharing
- Ability to multitask on their devices

HOTELS GAIN

- Higher guest satisfaction & loyalty
- Modernized in-room entertainment
- Cost savings by not paying for each app or channel
- Customizable screens for conference groups

HOW IT WORKS

Guests can connect their devices automatically at Nomadix gateway properties or via a QR code, click the show they want to watch and start casting. No sharing passwords with the hotel or logging onto a public device.
